PLAINTIFF IS OBJECTING TO DITECH MOTION FILED 12-13-19

---

Plaintiff is objecting to Ditech Motion filed on December 13<sup>th</sup>, 2019. Plaintiff is objecting to being present at the hearing date January 15<sup>th</sup>, 2020 at 11: am.

Reason she is a Senior Citizen Female without Legal Counsel and Plaintiff resides in Cincinnati, Ohio. Plaintiff is not asking for something impossible from Ditech.

Plaintiff is asking for consideration not to be indebted to Ditech and Ditech Associate.

Ditech Illegally and Unethical submitted a false foreclosure letter and submitted false Information to the Cincinnati, Ohio Credit Bureau, falsely accusing me of a non Mortgage payment. Ditech damage my perfect credit record and credit history.

Which sent me into a downtrend of borrowing power. Which destroyed me financially,

Later Ditech admitted that they were at fault for submitting the false information. That

seems like taking advantage of a Senior Citizen, which has caused me numerous

damages. I am only asking the Chapter 11 Court, If Ditech can escape and be let out

Of my damages claim Lawsuit, that I should be given consideration, that I should not

owe or pay or be indebted to Ditech or Ditech Associates, for the two mortgage

balances that I owe Ditech. I feel that it is a good consideration instead of Ditech staying

in a 5- Million Dollar Law Suit. Or holding up the Chapter 11 until Ditech agree to the consideration.
